Dear editor:

America Star Books is proud to announce the release of *Glow of Love*, by **Dutch** author **Bram Zoon**. The book is the English translation of Bram Zoon's original Dutch novel, *Gloed van liefde*, published in the Netherlands by Uitgeverij Free Musketeers in Zoetermeer.

A brief synopsis of *Glow of Love*: In this story, the author narrated his entire life span. He talked about the absence of a father figure, the will to adapt to an emerging mother figure, and the other various adversities he faced. This is the saga of a boy who used to be frightened, but ultimately developed into a confident and matured person.

Please let me know if you are interested in an interview with Bram. I will gladly and quickly put him in touch with you. We are proud of him as he is one of the first Dutch authors we decided to introduce to the American readers market. Until now, Americans have rarely been exposed to foreign literature. At America Star Books we have decided to change this, and Bram is now among the first to blaze the trail!

Please contact me at PRDept@americastarbooks.com for more information, or call me at **+1 443.684.7893**.

Thank you!
America Star Books,
